An Adventure in National Hunt racing

Introduction

BRINGING THE THRILLS OF OWNERSHIP TO YOU

Teviot Racing is a small, friendly, horseracing club based in Hawick, in the Scottish Borders.

Our trainer is Donald Whillans, whose yard (Dodlands Steading) is located to the east of Hawick, on the outskirts of the Scottish Borders town.

Just over the hour down the A7 from Edinburgh, and a similar distance from Glasgow and Newcastle, Dodlands Stables is ideally placed in the south-east of Scotland.

This location is also handily placed in racecourse terms as well, with all of the Northern UK tracks within reach in just over a couple of hours.

Full details of Donald Whillans, and of Dodlands Steading Racing Stables, can be found on the trainer's website.

COSTS

The cost of membership is £50 per month.

Teviot Racing Club 2013 will cover the NH season from October 2012 through until end of May 2013.

HORSES IN TRAINING

During the National Hunt Season, Teviot Racing Club will have 2 horses in training.

The ideal profile of these horses is

- chaser
- hurdler

Injuries to horses are not uncommon, and should any horse be side-lined for a prolonged spell, then Teviot Racing Club will replace the injured horse with a horse with a similar profile

THE FINE PRINT

Teviot Racing Club is run as a non-profit making concern where 100% of all funds go towards the training of the Club horses. Our horses are leased to run in the name of Teviot Racing Club.

If a horse is injured or sold, the Club will secure a replacement with a similar profile.
